WHO WE ARE

Nestled in the heart of the Finger Lakes, we are a Regional Wine, Beer & Cider Tasting Bar who proudly showcases some of the region's finest producers. Beyond celebrating our local community, your wedding holds the spotlight. Let us weave magic into your special day, creating memories that linger like the perfect sip of wine.

FLEXIBILITY AND CUSTOMIZATION IS WHAT SETS US APART

Despite being a newcomer, our team is dedicated to excellence. With expertise and commitment, your celebration will unfold seamlessly, reflecting the standards you deserve.

We believe that no two events are alike and that each of them should be as unique as the people hosting it. We welcome every couple in love, and will work with your event coordinator or event host to make your vision a reality.

Our standard offering includes the use of the venue and beverage services. We deliver a value approach to top-notch beverages. Let us show you the great local wines, beers and spirits the region is known for.

THE VENUE

A scant 15-minute drive from Geneva and Penn Yan, the Finger Lakes' main hubs for accommodation, shopping, and dining, we have an industrial-chic building on a 7-acre property that overlooks Seneca lake with expansive lawns for entertaining.

Between May and October events for up to 150 people are hosted outside in the events tent next to the main building. For those that want to take a stroll or feel playful, the large outdoor area is the perfect place to amuse your guests with lawn games and enjoy the lake view over a cocktail, a beer, or a glass of wine.

Between November and April events for up to 45 people are hosted inside the tasting room, but weather-permitting you could certainly host part of it or all of it outside if you wish. Opening the large garage doors to the outside deck for additional elbow room, and to take pictures with a loved one with the lake in the background is always an option.

A suite of four restrooms and one converted to a wedding suite ensure that you and your guests will be comfortable over the course of your event.

CUSTOMIZED PACKAGES

We do not offer one-size-fits-all packages. We believe that each event is as unique as its host and guests. As we learn about your vision, wishes and needs we'll put together a customized proposal for your consideration.

WHAT SETS US PART

Fair dynamic venue pricing

Day-Of Event Coordinator is included

THE DRINKS

Offering outstanding wines, beers and spirits doesn't have to be a pricy proposition. Whether you choose to serve easy-drinking crowd pleasers or complex craft drinks, the quality and value that you choose for your guests will be sure to please.

Our standard beverage list offers variety and includes the most popular styles. If you have additional products in mind that aren't there, we'll be happy to source them for your event whenever possible. Please note that if you wish to offer beverages at your event, Once Finger Lakes needs to purchase and serve them. No outside drinks are allowed. Our license only allows us to serve alcoholic products that are grown and produced in New York State. That doesn't mean that the selection is limited, NY is home to multi-award-winning wineries, breweries, and distilleries!

Refreshing, creative, natural non-alcoholic beverages are always the unexpected, yet the most welcomed surprise at events. Our experts will help you create seasonal, flavorful mocktails and lemonades tailored to your event and guests.

For your event, we offer up to two bar locations and dedicated bartenders to ensure that no one goes thirsty!
